30-Hour and 15-Hour Funding Options:

Parents eligible for the **30-hour free childcare** or **15-hour** can use this funding to cover any of the available hours. If the total childcare hours exceed the funded allocation, parents will be required to pay a top-up fee for the additional hours used.

Important: You must check your eligibility with the **Government Funding Checker** and apply **before the term starts** to ensure your grant is available. The **30 codes** must be sent into the school before the term starts.

Additional Information:

- Please bring a **piece of fruit each day** as a healthy snack or **2 pieces** if in for the full day
- Each child should also bring a **water bottle** to stay hydrated throughout the day.

For more information or to apply for funding, please contact us at **SMC Nursery**.
