Design	- Draw - ideas	- Own ideas - Design - Product - Move/s - Simple plan - Making/make - Pictures - Words	- Think - Idea - Plan - Choose - Best tools - Reasons - Describe - Pictures - Diagram/s - Models - Develop - Starting point	- Design - Criteria - Product - Attractive - Step by step plan - Order - Equipment - Tools - Describe - Labelled - Sketch - Realistic	- Influence - Designers - Produce - Plan - Explain - Persevere - Adapt - Original - Communicate - Idea/s - Sketch - Draw - Annotated - Suggest - Improvements	- Range of ideas - Collect information - Different sources - Produce - Detailed - Step by step plan - Explain - Appeal - Specific audience - Product - Design - Pulleys - Gears - Users view - Suggest - Alternative plans - Positives - Drawbacks	- Use - Market research - Inform - Plans/planning - Ideas - Follow - Refine - Justify plan - Convince - Culture - Society - Designs - Constraints - Relation to audience
Make	- Build - make	- Ideas - Make - Product - Moves - Choose - Resources - Tools - Explain - Structure/model - Strong/er - Tidy - Arrange - Construction	- Choose - Tools - Materials - Explain - Join - Components - Different ways - Measure - Model - Structure - Movement	- Follow - Plan - Equipment - Materials - Select - Appropriate - Tools - Techniques - Product - Electrical component - Mechanical component - Accurate - Measure - Cut - Holes - Shape - Mould	- Tools - Task - Knowledge - Material - Best outcome - Attempt - Product - Strong - Measure - Accurate - Advanced techniques - Shape - Mould - Finishing - Awareness of audience	- Tools - Equipment - Competently - Make - Prototype - Final piece - Pulleys - Gears - Persevere - Stages of making - Process - Accurate - Measurement - Precise - Strong - Fit for purpose - Refine - Improve - Mouldable materials	- Use - Make - Specific tool - Specific task - Correctly - Safely - Explain - Specific action - Change work - Precise - Accurate - Hide joints - Improve
Evaluate	- Like - Don't like - Better - worse	- Describe - Explain - Working well - Not working well	- Chosen materials - Textiles - What went well - Consider - How - Improvements	- Explain - How - Improve - Know - Why - Has been successful	- Evaluate - Suggest - Improve - Purpose - Appearance	- Suggest - Alternative plans - Positive features - Drawbacks - Evaluate - Appearance	- Test - Evaluate - Explain - How - Know - Clear criteria

			• Construction	• Has not been successful • Change • Make design even better if...	• Altered • Check/ing • Successful	• Function • Original criteria • Check/ing • Best it can be • Fit for purpose • Strong • Explain • Refine • Test	• Decide • Fit for purpose • Improve • Evaluate resources • Justify • Selected materials
Technical Textiles Mechanisms materials	• <u>Textiles</u> • Bead • Button • Fabric • Felt • Scissors • Sew • <u>Materials</u> • Cello tape • Glue stick • Masking tape • Paper clip • Plasticine • Ruler • straw	• Make • Model • Stronger <u>Mechanisms</u> • Move • Cut • Materials • Scissors • Describe - Sliders_ <u>Mechanisms</u> • Join • Moving • Add •	• Strong • Stable • Wheels • Axels • Levers <u>Textiles</u> • Measure • Join • Cut • Textile • Feel • Glue <u>Materials</u> • Measure • Model or structure • Joining • Folding • Rolling • Stronger	• Strengthen • Product • Stiffening • Reinforce • Structure <u>Mechanisms</u> • Make • Product • Components • Choose • Material • Suitability • Appearance • Strengthen • Stiffen • Levers	<u>Textiles</u> • Make • Product • strong • Devise • Template • Join • Choose • Appearance • Qualities <u>Mechanisms</u> • Lights • Switches • Buzzers • Electrical systems • Add • Circuits • Technology • Computer • Design • Model • Programme	<u>Textiles</u> • Choose • Textiles • Make • Attractive • Strong • Prototype • Joining techniques • Rolling • Folding • Concertinaing • Reinforce <u>Mechanisms</u> • Cams • Linkages • Computer • Computer-aided design • Monitor • Control	<u>Mechanisms</u> • Enhance a given product • Circuit • Adding a circuit • Improve their product • Electrical system • Switch • Bulb • Motor • Wire
Cooking and Nutrition	• Apron • Chop • Cut • Equipment • Fork • Knife • Mix • spoon	• Cut • Safely • Describe • Wash • Clean • Surfaces • Decorate	• Weigh • Ingredients • Recipe • Describe • Explain • Hygiene/hygienic • Kitchen • . Describe • Food • Grow • Plants • Equipment • Weigh • Follow recipe • Healthy • Unhealthy		• Hygiene • Hygienic • Safe • Creative • Present well • Ingredients • Safely • Create dish • Harvest/ing • Product • Attractive •	•	• Explain • Storage • Ingredients • Create meal • Savoury • Sweet • Hygiene • Hygienic • Safe • Kitchen • Collect • Prepare • Meal • Ingredients • Season • Harvest/ing • Present well
